

# sk-interfaces Conference

08 - 09 February 2008

An international conference exploring skin, interfaces and how current technologies are bridging the gap between science and art.

Join international guest speakers as they present keynote presentations and debate many of the aesthetic, philosophical and medical issues raised in the exhibition *sk-interfaces: Exploding Borders in Art, Technology and Society*.

Speakers include:

Claudia Benthien Stelarc Siân Ede Stéphane Dumas ORLAN

Nicole Karafyllis Oron Catts & Ionat Zurr Richard Cavell

Neal White & Nicolas Langlitz Jens Hauser...
